

# Peter Gabriel, Lovetown

Ooh, I go swimming, swimming in the water  
Swimming in the river, swimming in the sea  
I go swimming  
I go swimming, swimming in the water  
Swimming in the pool, swimming is cool  
I go swimming  
The sun is burning, I am yearning  
For the waterflow (waterflow)  
Next to my skin I, like to begin a  
Waterflow (waterflow)  
Letting off steam I float in a dream,  
I can't let go (can't let go)  
Follow my wishes, follow the fishes  
Down below (down below)  
I go swimming  
I need water, water to drink  
Water on my brain, water sustain,  
Water over me  
I want water, water I need  
Water to think, water to drink  
Water over me  
The sun is burning, I am yearning  
For the waterflow (waterflow)  
Next to my skin I, like to begin a  
Waterflow (waterflow)  
Letting off steam I float in a dream,  
I can't let go (can't let go)  
Follow my wishes, follow the fishes  
Down below (down below)  
I go swimming  
I go swimming, I go swimming  
Swimming in water, swimming in water, swimming in water  
Water all over me  
Swimming in water, swimming in water, swimming in water  
I go swimming, I go swimming  
I go swimming, I go swimming  
Swimming, I go swimming  
Oh I go swimming, I go swimming  
Water all over me  
Swimming in water, swimming in water, swimming in water  
Water all over me  
Swimming in water, swimming in water, swimming in water  
Water all over me  
Swimming in water, swimming in water, swimming in water  
Water all over me
