

Peter Green, Loser Two Times

I'm a loser two times
I'm a loser two times
I tried to change my ways but I was too blind
I lost my money, I lost my girl
And now i've almost lost my mind

Yes, i'm a loser two times
A loser two times
I gambled with your love but I just couldn't win
I lost my money, I lost your love
And now I have to live in sin
Yes, i'm a loser two times

It was only a game
A fool crazy game
But I ended with a joker and a fistful of pain
Yes I lost my money and I lost my girl
And now i've even lost my way

Yes, i'm a loser two times
Oh, i'm a loser two times
I tried to change my ways but I was too blind
I lost my money, I lost my girl
And now i've almost lost my mind
And i'm a loser two times
