

Peter Griffin, Inside Out

My life is action

I mess around and hit the highs.
It seems I never ever
Get the chance to rest a while.
Overhead the sun
Tells me I'm about to meet my paradise

So I go on and on

Come see
I'm flying high.
Oh my
oh my
oh.

Inside out
over and over again

Upside down
slowly I'm goin' insane.
I give the best I can

I sing in the sea of love

Inside out over and over again.

The kids are dancin'
shakin'

And everything's right out of sight

They seem to love it
like it

They're movin' to a way of life -
Can't you see I'm high

I'm runnin' wild and free.
I'm on the upward line

Now clap your hands together

Hear what I got to say.
Oh my
oh my
oh.

Inside out
over and over again

...
Indide out
over and over again
