

Peter Heppner, No Matter What It Takes

I wish that I could prove
What I feel for you
Something that you can't deny
Anything you can rely upon
Each time you're in the mood for any doubts
But there's no evidence for what I hold inside my heart

You need to understand this
No matter what it takes

Nothing suddenly appears
Neither love, nor your fears
You grow them inside you
Something for idle hands to do
And you want to be sure before you can admit
But I never make a promise that I cannot keep

I won't be afraid
I'll stand with you
And I will understand you

I'll bend but won't break
There'll be no fear
And I will understand you

No matter what it takes
No matter what you say
And even if it breaks my heart
