

Peter Murphy, Piece Of You

(Oo)
(Oo)
(Oo)
(Oo)

I don't want to be a part
Of a second part
But while I'm in it
I'm keeping out of it
I don't want to be
I should be able to see
A seal of man
And then sometimes I don't

CHORUS

I'll be a piece of you then
So that I'll see you in them
I'll howl at the Moon
With a song to swoon (oo)
I'll crawl like a fly (oo)
And if I have to I'll die (oo)
Give me a piece (oo)
Of a blissted release

I'm a formula one start
I'm the wheel and the cart
And I'll be a part of you
When I'll see you

CHORUS

(Oo)
I'll be a piece of you then (oo)
(Oo)
A piece of you then (oo)
So that I'll see you in them (oo)
A piece of you then (oo)
I'll see you in them (oo)
So that I'll see you in them (oo)
So that I'll see you in them (oo)
A piece of you then (oo)
I'll see you in them (oo)
A piece of you then (oo)
I'll see you in them (oo)
