Peter, Paul & Mary, I Am Your Child

I am your child Wherever you go, you take me too Whatever I know, I learned from you Whatever I do, you taught me to do I am your child

And I am your chance Whatever will come, will come from me Tomorrow is won by winning me

Whatever I am, you taught me to be I am your hope I am your chance I am your child

Whatever I am, you taught me to be I am your hope I am your chance I am your child
