

# Peter Tosh, Rock With Me

Rock with me  
Rock with me baby  
Roll with me  
Come on and roll with me honey  
Rock with me  
You wanna rock with me baby all night long

I said bless my soul,  
I don't know what is wrong with me  
I don't wanna go home baby,  
Baby can't you see?

Rock with me  
You wanna rock with me baby all night long,  
All night long

Cause you're the sweetest rocker in town  
And I love to see you go 'round  
You're the sweetest rocker in town  
And I love to see you go 'round

Bless my soul, I don't know what is wrong  
Don't wanna go woman  
Can't you see?

Rock with me  
You better rock with me baby  
All night long

You've been rocking me everytime  
And you.. you're on my mind  
So you better rock with me,  
And rock with me baby all night  
Yeah, all night long

Cause you're the sweetest rocker in town  
And I love to see you go 'round  
You're the sweetest rocker I've ever seen  
And woman you smile so clean

So you better rock with me  
Come on and rock with me baby, baby  
Roll, roll with me  
Roll with me honey, honey  
You better rock with me  
Come on and rock with me baby all night long  
All night long I said  
So bless, bless my little soul  
I wanna rock and roll  
I don't want to go woman,  
Woman can't you see?
