

# Petra, Holy Ghost Power

Words and music by Bob Hartman

Everybody's talking about power  
Power to the people they say  
Everybody tryin' to get more power  
They're goin' in circles today

I'm sick of this jive, gonna hop in my rod  
Gonna motivate clear across town  
Gonna go to church, gonna end my search  
Gonna fill my soul with power

(Chorus)

Holy Ghost power gonna fill you today  
Holy Ghost power gonna take you away  
Holy Ghost power gonna fill you within  
Holy Ghost power gonna save you from sin

Don't give me no jive, you ain't even alive  
'Till you get your heart right with God  
Better ask Him in and forget your sin  
Let Him fill your soul with power

Repeat Chorus
