

# Petra, I Am On The Rock

The earth is shakin'  
It's like a bad dream  
This world is crumblin'  
Comin' apart at the seam,  
But I am on the Rock, I am on the Rock

Everywhere I'm turning  
It's only bad news  
This bomb is tickin'  
And we're getting to the end of the fuse,  
But I am on the Rock, I am on the Rock

Are you ready?

(Chorus)  
I am on the Rock, the sure foundation  
I am on the Rock, on the Rock/I am on the Rock/the Rock of Jesus  
I am on the Rock, His revelation  
I am on the Rock.  
Though the winds may blow  
And though the floods may grow  
I shall not be moved, 'cause I am on the Rock

The storm's approaching,  
I'm standing high and dry  
Firmly planted  
On the Rock that is higher than I,  
I am on the Rock, I am on the Rock

Kingdoms failing,  
They fall around me  
Plans eroded  
And washing away to the sea,  
I am on the Rock, I am on the Rock

Are you ready?

(Chorus)

There is no Rock in this world but our God!

(Chorus)
