

Petra, The Holiest Name

Lord, how lovely is Your name
You are everyday the same
You are worthy
Lord, come and fill our emptiness
With the beauty of Your holiness
Now, we will sing Your praise
And declare Your ways to be holy

Lord, we love and proclaim
The Holiest name
Of God in the highest
Lord, above every name
No other can claim
The Holiest name of all

Grace has been given unto us
We have nothing else to trust
But Your mercy
Your love has called us to Your side
We will faithfully abide in You
And now we will heed Your voice
And our hearts rejoice in Your glory

Lord, we love and proclaim
The Holiest name
Of God in the highest
Lord, above every name
No other can claim
The Holiest name of all
