

# Petra, We Need Jesus

When will the world  
See that we need Jesus?  
If we open our eyes  
We will all realise that he loves us  
When will the world see that we need Jesus?  
When our hearts are as one  
And believe that he's the son of our God

The Lord is our God  
And we shall never want  
The Lord is our God  
And we shall live forever  
When we share the love of Jesus  
See each other as he sees us  
Then his love will see us through  
Oh, you know his love will see us through

When will the world  
See that we need Jesus?  
When sister and brother  
Love one another as one  
When will the world  
See that we need Jesus?  
Will we ever understand  
Jesus is the Son of man  
We must live in the shadow of His love
