

Petula Clark, I will follow him

I will follow him
Follow him wherever he may go
There isn't an ocean too deep
A mountain so high it can keep me away
I must follow him
Ever since he touched my hand I knew
That near him I always must be
And nothing can keep him from me
He is my destiny
I love him, I love him, I love him
And where he goes I'll follow, forever and ever
And side by side together I'll be with my true love
And share a thousand sunsets, together, beside him
I will follow him
Follow him wherever he may go
There isn't an ocean too deep
A mountain so high it can keep, keep me away
Away from my love
I love him, I love him, I love him
And where he goes I'll follow, forever and ever
And side by side together I'll be with my true love
And share a thousand sunsets, together, beside him
I will follow him
Follow him wherever he may go
There isn't an ocean too deep
A mountain so high it can keep, keep me away
Away from my love
