Petula Clark, Kiss Me Goodbye

We choose it, win or lose it Love is never quite the same I love you, now I've lost you Don't feel bad, you're not to blame So kiss me goodbye and I'll try not to cry All the tears in the world won't change your mind There's someone new and she's waiting for you Soon your heart will be leaving me behind Linger awhile, then I'll go with a smile Like a friend who just happened to call For the last time pretend your are mine My darling, kiss me goodbye I know now I must go now Though my heart wants me to stay That girl is your tomorrow I belong to yesterday So kiss me goodbye and I'll try not to cry All the tears in the world won't change your mind There's someone new and she's waiting for you Soon your heart will be leaving me behind Linger awhile, then I'll go with a smile Like a friend who just happened to call For the last time pretend your are mine My darling, kiss me goodbye My darling kiss me goodbye
