

# Petula Clark, Strangers in the night

(Strangers in the night)  
(Strangers in the night) Strangers in the night exchanging glances  
Wond'ring in the night, what were the chances?  
We'd be sharing love before the night was through, yeah  
Something in your eyes was so inviting  
Something in your smile was so exciting  
Something in my heart told me I must have you  
Strangers in the night, two lonely people  
We were strangers in the night up to the moment  
When we said our first hello  
Little did we know  
Love was just a glance away,  
A warm embracing dance away, yeah (Strangers in the night)  
(Strangers in the night) Ever since that night, we've been together,  
Lovers at first sight in love forever  
It turned out so right  
For strangers in the night (Strangers in the night)  
(Strangers in the night) (Strangers in the night)  
(Strangers in the night) Ever since that night, we've been together,  
Lovers at first sight in love forever  
It turned out so right  
For strangers in the night (Strangers in the night)  
(Strangers in the night) (Strangers in the night)
