

PFR, But By The Grace Of God

I am more than this flesh and bone
By myself I wander the streets alone
But when my dream is over and morning creeps on in
I pull the covers back and I feel your warmth again

(chorus)

There is something inside
That I can't explain
But by the grace of God I
Am made whole again
In the times I have fallen
And when I felt the shame
Yet by the grace of God I

Am made whole again
In the times I have fallen
And when I felt the shame
Yet by the grace of God I
Am made whole again

Sold in my pride I said I know
So I bought the lie and chained my soul
But mercy runs deep and seeks to fill
An empty well of shadow that
One day will reveal

(chorus)
