

PFR, Forest

(Verse 1)

Hangin' on a string
Walkin' a tightrope
I've been relying on myself
For far too long
Livin' on my own
And thinkin' I'd cope
Why'd I put you on the shelf
Oh I was wrong
Livin' on good intentions
Never got me very far
Only with Your direction
Can I get to where You are

(Chorus)

Home again
I've been gone way too long
Home again
I don't want to roam no more
I'm where I belong

(Verse 2)

I must have thought
Dreamin' again out of habit
Somethin' 'bout tryin' to get myself ahead
Led to want it all
Then remembering I had it
I've been down that road
And I won't go back again
