

# PFR, Walk Away From Love

(Verse 1)

The roof caved in  
And the walls crumbled  
And there I stood exposed  
Clutching my chest in fear  
How'd I end up here  
Bad decisions one right after the other  
Moved like waves pulled by the moon  
Like a puppet who's tugged on by a string  
Like water tumbling down string  
I was lost

(Chorus)

Blind man deaf boy  
And the lover of me  
And where did it lead to  
I fought air as I was drowning  
In that rushing stream  
As the water poured over me

(Verse 2)

Off the bridge I threw my heart  
As if it didn't matter  
I walked the edge so fearlessly  
Blindfolded by my lustful eyes  
Deafened by a string of lies  
But You saw me there  
In my same condition  
And Your eyes held me in Your stare  
You gazed into my empty soul  
Spoke the words that burned a hole  
In my heart

(Chorus 2)

Blind man deaf boy  
Now see and hear  
Did you think that I'd not find you  
Don't you know that I'm the lover of souls  
And I came to be near  
From this very earth I made you

(Bridge)

Some of us like sheep have gone astray  
Some of us like fools live for today  
And then it's gone and we're left with nothing  
We fight to hold it all inside our hands  
Somehow we think we'll understand  
What no eye has ever seen and no mind comprehended  
Blind man deaf boy  
And the lover of me  
And where did it lead to  
Blind man deaf boy  
Now hear and see  
Did you think that I'd not find you  
Blind man deaf boy
