

# Ph Electro, Stereo Mexico

I'm back in Mexico, turn on the radio  
I really don't know why I laugh at all the time  
I'm here in Mexico, just try to let it flow  
Like in the studio don't know what to do  
Is anybody here or out there  
Is anybody here who wants to loose control

Here in stereo, stereo wonderful Mexico  
Stereo Mexico  
Stereo, I'll take a trip to Mexico,  
Stereo Mexico  
Stereo, Chili, Tequila and sombrero  
Stereo Mexico  
Stereo, beautiful sounds on the radio  
Stereo Mexico,

I'm back in Mexico, and I just let it go  
I'm really feeling fine, fiesta all the time  
I'm here in Mexico, we really rock the show  
The sound in stereo, we just know what to do  
Is anybody here or out there  
Is anybody here who wants to loose control
