

# Phantom Planet, Anthem

I woke up today a song was swimming in my head  
And I hummed it to myself as I got out of bed  
And on the way to take a shower it all just dawned on me  
That a song like this just might go down in history  
I quickly ran back to get my guitar  
A pen and some paper

'Cause this whole world needs an Anthem  
And I'm trying to put the words where they belong  
Yeah this whole world needs an Anthem  
And I'm hoping everyone will sing along

Well I quickly got to work and put the song in gear  
And my neighbor rang the doorbell said it caught his ear  
I was playing it so loud the whole neighborhood could hear  
And at night from every household it became quite clear  
Everyone was singing along  
The same notes the same song  
Or maybe I heard it wrong

'Cause this whole world needs an Anthem  
And I'm trying to put the words where they belong  
Yeah this whole world needs an Anthem  
And I'm hoping everyone will sing along.
