

# Phantom Planet, Leader

There are so many signs the end is nigh  
Our leader told us so besides  
We follow him like to and fro  
Wherever he decides to go

He speaks, we listen  
We see his vision

He explains so easily  
We are all the missing pieces  
Maybe you'll fit right in too  
Ask yourself, it might be true

Now join our hands and come along  
The day's about to dawn  
You feel it coming?  
On and on the hour's upon you now it won't be long  
You feel it coming?

Well, we'll put you in a uniform  
Everyone will be reborn  
Wear us over where your heart is  
Your new life with us has started

You'll speak, he'll listen  
We see his vision

Now join our hands and come along, the day's about to dawn  
You feel it coming?  
On and on the hour's upon you now it won't be long  
You feel it coming?  
Sitting on it all along we're on a ticking bomb  
You feel it coming?  
On and on the hour's upon you now it won't be long  
You feel it coming?

You feel it coming?  
You feel it coming?  
You feel it coming?  
You feel it coming?

Join our hands and come along, the day's about to dawn  
You feel it coming?  
On and on the hour's upon you now it won't be long  
You feel it coming?  
Sitting on it all along we're on a ticking bomb  
You feel it coming?  
On and on the hour's upon you now it won't be long  
You feel it coming?

You feel it coming?  
You feel it coming?  
You feel it coming?  
You feel it coming?
