

Phantom Planet, One Ray Of Sunlight

Goodness sometimes things get bad
But I swear
I'm doing all I can
So try all you want to
I'm gonna try too

If I get one ray of sunlight to hold in my hand
Maybe we can be happy again
I'll try for one ray of sunlight to hold in my hand
Maybe we can be happy and then...

Things don't go as I planned
But I swear I'm doing all I can
So try all you want to
I'm gonna try too

If I get one ray of sunlight to hold in my hand
Maybe we can be happy again
I'll try for one ray of sunlight to hold in my hand
And I guess if this isn't the end
Maybe we can be happy again
