

Phantom Planet, Rise The Setting Star

1, 2

1, 2, 3

Watching a setting star I lost myself in orbit

And a comet flew by as I went under

All of this angry space

I'm wasting all my time

I care that you don't know who you are

I can't rise the setting star

And I am looking for a new way out

Watching a burning sun

I lost myself in your eyes

And a comet flew by as I went under

All of this angry space

I'm wasting all my time

I care that you don't know who you are

I can't rise the setting star

And I am looking for a good way out

All of this angry space

I'm wasting all my time

I care that you don't know who you are

I can't rise the setting star

And I am looking for a good way out
