

Pharao, King Pharao

They called him... Pharao... Pharao
Nanana nana nanana nanananana...
Pharao...

Threethousand years, he's living inside of my mind
Love... star to mine
He was a man, but the..... over their lives
Pharao
Fa ta mor ga na (Pharao)
Fa ta mor ga na (Pharao)

Loved and adored

An Egyptian prince was born, where the Nile flows,
long time ago

They called him King, they called him the Pharao

The Pharao

If you get out, I need someone to believe
Last thing to achieve
Live in a world, for you just got to believe
That is true

Fa ta mor ga na (Pharao)
Fa ta mor ga na (Pharao)

The Pharao...
They called him the Pharao
