

Pharao, Love Is A Miracle

Quicksilvers after midnight soon
Painting pictures in waves in motion
Love is a miracle

Love is a miracle
Love is a miracle

Ah ah ah ah ah ah aha

Love is a miracle
Down on you
Like the full moon
Bright light is in the dark
Fulfills your heart
Like the full moon
Love is a miracle

Comes suddenly, comes quickly so you never know
And before you realize it's over you
In light not place to go
Hearing chainsand lay down
No matter what you do no matter who you are
When the power of the full moon's over you
There's no escape, no and no turning back
You're a slave it's like adown on you

Love...
