

Pharoahe Monch, Let's Go

(One) One for the money

(Two) Two for the show

(Three) Three to get it crackin' in the hood (Let's Go!)

My rrrrhymes pop like them 9's they claim they tote

But they rrrrap lack luster shine

My shit bust like Busta RRRRhymes sniffin' lines of coke

(Wooooo Haaaaa!!) That's all she wrote

I'm on a quest to qualify for these inquisitive quotes

Quirk ass MCs be as Queer as Folk

Talkin' about, 'Nigga can rap!' - No shit sherlock

Y'all MCs can't see me like Matt Murdock

I'm the pinnacle rhyme kid

Any line of mine is criminal minded

I blind them with original rhyme shit

Fall in line with the set, cynical crime shit

Clinically approved for you to move your behind with, timeless

All world girls willin' to stride with Pharoahe, do you need to be reminded?

Now stick'em up a set

Get'em up a set

Put'em up a set

(Let's Go!)

(Pre-hook)

(Yeaaaaa, How we rock)

(Show them how we, Ro-o-oll)

(Ye-e-ea yea ey yea)(Let's GO!)

(Hook)

Line it up!

Light it up! Fire it up!

Wire me up, Let it blow

(One) One for the money

(Two) Two for the show

(Three) Three to get it cracking in the hood

(Let's Go!)

(Verse 2)

They research my stem cells, clone ten of me

Send one of them back in time just to get rid of me

Stop Pharoahe Monch from having verbal epiphanies

Now that's new definition to your own worst enemy

Ock listen man

Stop snitchin' man

We use sex to cell

Then you to 'Nex-to-tel', then Sprint

Everything you represent is E-moral

'Singular'...not plural

You and your sidekick, get rid of that wack trio

I freeze MCs zero degrees below

The 'blacker the berry', the sweeter the juice

You need to get loose, to the heat i produce

From Long Beach to Boston

You chick 'Tex-us' like Dallas and Austin

I spark tireless illumination

Fire 16-bars of wireless communication

(Let's Go!)

(Pre-hook)

(Hook)

(Prehook)x2

(Verse 3)

(Scratches and mixes of Pharoahe Monch lyrics)

(Pharoahe's flows blows shows)

(The M-O-N-C-H)

(M-O-N-C-H)

(Y'all know the name)

(Let's Go!)

(Hallelujah! Pharoahe Monch will do ya)

(The M-O-N-C-H)

(Y'all know the name)

(Let's Go!)

(Hook)
