Pharrell Williams, Freq (feat. Jojo, Leah Labelle)

You gotta go inward To experience the outer space That was built for you You gotta go inward (x4)

Just picture the love It's pickin' you up Your temple should buzz From the vibration of love

You see I'd rather be a freq than not bein' me Individuality makes life better See I'd rather be a freq than not bein' me The individuality makes life better

You gotta go inward To experience the outer space That was built for you You gotta go inward (x4)

Just picture the love It's pickin' you up Your temple should buzz From the vibration of love
