

# Pharrell Williams, Gust Of Wind

My heart is filled, with love and care  
Not an ounce of gas, I would get up there  
The answer's simple  
You lift me up  
The view up here, I see all the stars  
There go Venus, and there go Mars  
Somethin' you been through  
You're from above

When I first saw you, I got excited  
Tried to keep my composure, tryna hide it  
But I didn't know  
I didn't let go  
Then it occurred to me while tryna fight it  
Just like a kite, you lurk to ride it  
But I didn't know  
You're s'posed to let it go

Like a gust of wind  
You hit me off sometimes  
Like a gust of wind  
You push me back every once in a while  
Like a gust of wind  
You remind me there's someone up there  
Who whooshes in  
The air I need to power myself

When I open the window  
I wanna hug you  
Cause you remind me of the air  
I said yeah  
Cause when I'm feelin' real low  
I remember I love you  
I put my hands in the air  
And you were there

With your love, I can board the skies  
[?] that electrifies [?]  
Cannot stow away  
Telephone winds of the northern sky  
Is the closest thing, and here is why  
Cause we're color  
You blow me away

I need you, like a [?]  
Music umbrellas can make [?]  
Who cares if they don't see you?  
Don't you know that they're the same?  
I need it like a [?]  
If you never discover, forever you'll suffer  
Who cares if they don't see you?  
You got until then to learn the way

When I first saw you, I got excited  
Tried to keep my composure, tryna hide it  
But I didn't know  
I didn't let go  
Then it occurred to me while tryna fight it  
Just like a kite, you lurk to ride it  
But I didn't know  
You're s'posed to let it go

Like a gust of wind  
You hit me off sometimes

Like a gust of wind  
You push me back every once in a while  
Like a gust of wind  
You remind me there's someone up there  
Who whooshes in  
The air I need to power myself

When I open the window  
I wanna hug you  
Cause you remind me of the air  
I said yeah  
Cause when I'm feelin' real low
