

# Pharrell Williams, Young Girl/I Really Like You

(You know)

(you know listen to me)

Mama help I fell in love with a young girl

(thats true, so true)

(you're the only girl I love to)

My heart was soaken and I broken in a young world

(so true, so true, listen)

I wasn't tryin to lead her on

See I didn't wanna be alone

But when she smiles she braught me home

So I braught her home,

Its not that the fealin of love is gone

Cant expect a kind little girl to be grown

I cant give a f\*\*k what so and so says

Crushes hurt both ways

What on earth, what i'm suppose to do

What on earth, what i'm suppose to do

What on earth, what i'm suppose to do

Somebody tell me what i'm suppose to do

Mama help I fell in love with a young girl!

What on earth, what i'm suppose to do

Young girl, so in love with you

What on earth, what i'm suppose to do

What on earth, what i'm suppose to do

What on earth, what i'm suppose to do

Somebody tell me what i'm suppose to do

My heart was soaken and I broken in a young world!

What on earth, what i'm suppose to do

Young

Young girl, so in love with you

The single girls are out tonight

But you have one word, my heart, one life

And i'm not lookin around  
So why you lookin down  
(what you lookin down for?)  
I f\*\*ked up a long time ago  
See I should have never let you know  
See I couldnt give a f\*\*k what tabloids say  
(as the people magazine)  
And crushes hurt both ways  
What on earth, what i'm suppose to do  
What on earth, what i'm suppose to do  
What on earth, what i'm suppose to do  
Somebody tell me what i'm suppose to do  
Mama help I fell in love with a young girl!  
What on earth, what i'm suppose to do  
Young girl, so in love with you  
What on earth, what i'm suppose to do  
What on earth, what i'm suppose to do  
What on earth, what i'm suppose to do  
Somebody tell me what i'm suppose to do (HOV!)  
My heart was soaken and I broken in a young world!  
What on earth, what i'm suppose to do (HOV!)  
Young girl, so in love with you (HOV!)  
(Jay-Z)  
HOV got a young girl  
HOV got a young girl  
Still not quite 21  
So high strung  
Such a vibrant thing  
I introduce myself, hi miss thing  
You're 19?  
No, you're lighting in a bottle I give you a ring tomorrow  
The scene that follows  
Screens of horror

Classic Steven King novel

Mamma don't think you should take someone so advanced in romance

You should just wait

Pappa dont preach

HOV dont bite

Hopin throught it I might mo your life

'cause ima show you right

Proper etiquette how to hold your knife

Keep it competetive with Oprah's ice

Be like Janet, take control of your life

What on earth, what i'm suppose to do

(young girl)

What on earth, what i'm suppose to do (young girl)

What on earth, what i'm suppose to do

(young girl)

Somebody tell me what i'm suppose to do

(young girl)

Mama help I fell in love with a young girl!

What on earth, what i'm suppose to do

(to young, i'm never to young)

Young girl, so in love with you

('cause i'm never to young)

What on earth, what i'm suppose to do

(to young, i'm never to young)

What on earth, what i'm suppose to do

('cause i'm never to young)

What on earth, what i'm suppose to do

(to young, i'm never to young)

Somebody tell me what i'm suppose to do

('cause i'm never to young!)

My heart was soaken and I broken in a young world!

What on earth, what i'm suppose to do

Young girl, so in love with you  
(this is where the story begins baby)
