

Phatfish, Come To Me

Come to me you weary
Weak and heavy laden
Come to me and I will give you rest
Come if you are tired
Tired of the struggle
Come to me and I'll refresh your soul
Come if you are lonely
Come if you are grieving
Come to me and I will give you hope

For my burden is light
Come to me and rest today
Let your worries melt away
My burden is light
My peace is everlasting
I'll comfort you and hold you

Come if you are anxious
Scared about tomorrow
Come to me and I will bear your load
Come if you are hurting
Broken and alone
Come to me and I will be your shield
Come if you're regretful
Ashamed of your past
Come to me and I will wash you clean

Don't you know, haven't you heard
I'm the everlasting God?
I won't tire, I won't faint
And you're living in my grace
You can run, you can soar
Rising up on eagles wings
Put you hope in the King
And He'll renew your strength
