## Phideaux, I Was Thinking

I was thinking about you Hanging lights electric blue And neck restraints for two

I was thinking about you Wonder if you're thinking too I do, I think of you

I said what I said, I said what I said I said what I said: I want you

I was thinking about you "(thinking I was thinking about you)" Shredding paper like you do "(paper shreds but won't forget)" Your signature tattoo

I was thinking about you "(thinking I was thinking about you)" Welding metal barbecue "(metal welding lights electric)" Blue bell dreams of you Blue bell dreams of you

I said what I said, I said what I said You heard what I said, I said what I said: I want you You said what you said, you said what you said You said what you said, I heard what you said: I'm not sure about you

I was thinking about you, holiday it's what you do I do, I think of you Wonder if you're thinking too
