

# Phil Collins, Do You Know, Do You Care?

You said you would, you didn't and I wanna know why  
And don't make no excuses  
You promised, you promised, you better explain  
Though I don't know what the use is  
You said you could, you couldn't, now why did you lie?  
You made it look so easy  
You did it, why do it, what was your point?  
Laughing while you tease me

Oh, do you know and do you care?

I said I did, I shouldn't cos the magic will go  
It happened once before  
You'll see it, you'll steal it and take it away  
And then come back for more  
Don't say you would, you wouldn't 'cos I saw you myself  
It's too late for your reason  
You're lying, you're lying, you've done it this time  
I'm sick of all the cheating

Oh, well do you know and do you care?

'Cos I watch you  
Oh every day I watch you pass me by  
I'll get you  
Yes in the end I'll get you  
Just watch me try

Oh you make it hard to be hard but I'm trying my best  
Cos down inside I'm burnin'  
You want it, you got it, now take it and run  
I'll hide how much it's hurtin'

Oh, well do you know and do you care?  
Oh, well do you know and do you care?  
Oh, do you know, and do you care?
