Phil Collins, Do You Know Do You Care

You said you would, you didn't and I wanna know why

And don't make no excuses

You promised, you promised, you better explain

Tho' I don't know what the use is

You said you could, you couldn't, now why did you lie

You made it look so easy

You did it, why do it, what was your point?

Laughing while you tease me

Oh, do you know and do you care?

I said I did, I shouldn't cos the magic will go

It happened once before

You'll see it, you'll steal it and take it away

And then come back for more

Don't say you weren't, you were 'cos I saw you myself

It's too late for your reason

You're lying, you're lying, you've done it this time

I'm sick of all the cheating

Oh, well do you know and do you care?

'Cos I watch you

oo every day I watch you pass me by

I'll get you

Yes in the end I'll get you

Just watch me try

Oh you make it hard to be hard but I'm trying my best

Cos down inside I'm burnin'

You want it, you get it, now take it and run

I'll hide how much it's hurtin'

Oh, well do you know and do you care?

Oh, well do you know and do you care?
