

# Phil Collins, Do You Remember?

We never talked about it  
But I hear the blame was mine  
I'd call you up to say I'm sorry  
But I wouldn't want to waste your time

'Cos I love you, but I can't take any more  
There's a look I can't describe in your eyes  
If we could try, like we tried before  
But you keep on telling me those lies

Do you remember...?

There seemed no way to make up  
'Cos it seemed your mind was set  
And the way you looked it told me  
It's a look I know I'll never forget

You could've come over to my side  
You could've let me know  
You could've tried to see the distance between us  
But it seemed too far for you to go.

Do you remember...?

Through all of my life  
In spite of all the pain  
You know people are funny sometimes  
'cos they just can't wait  
To get hurt again

Tell me do you remember...?

There are things we won't recall  
And feelings we'll never find  
It's taken so long to see it  
Cos we never seemed to have the time

There was always something more important to do  
More important to say  
But "I love you" wasn't one of those things  
And now it's too late

Do you remember...?  
Now it's over  
do you remember...oooh it's over

tell me now... tell me now...
