

# Phil Collins, I Missed Again

So you finally came right out and said it girl  
What took you so long  
It was in your eyes, that look's been there for too long  
I'm waiting in line  
Would you say if I was wasting my time

Or did I miss again  
I think I missed again oh

I think about it from time to time  
When I'm lonely and on my own

I try to forget and yet, still rush to the telephone  
I'm waiting in line  
Would you say if I was wasting my time

Or did I miss again  
I think I missed again oh  
Or did I miss again  
I think I missed again oh

Well it feels like something you want so bad  
Then you think you've got it, but it's something you already had  
You can feel it all around you, but it's something you just can't touch  
And I feel it coming at me  
I can feel it coming at me

Or did I miss again  
I think I missed again oh  
Or did I miss again  
I think I missed again

I'm waiting in line, but would you say if I was wasting my time

Or did I miss again...
