

Phil Collins, That's How I Feel

Well I've been waiting so long
I've been waiting so patiently
Out of the blue you call
You're leaving him to be with me now

Now maybe I'm right, or maybe I'm wrong
Oh, I gotta know now
I'll take what you got, so you'd better hold on
You'd better believe it

Cos that's how I feel when I'm in your arms
That's how I feel when I'm with you
You make me feel like never before
That's how I feel when I'm with you

He doesn't treat you good
He doesn't say the things that I say
So when he turns around
You're gonna stab him in the back and then walk away

Now maybe I'm right, or maybe I'm wrong
Oh, I gotta know now
I'll take what you got, so you'd better hold on
You'd better believe it

Cos that's how I feel when I'm in your arms
That's how I feel when I'm with you
You make me feel like never before
That's how I feel when I'm with you

You've been away too long
And now you're coming home
But I won't believe it until
I'm holding you tight, tight, tight tonight

Now maybe I'm right, or maybe I'm wrong
Oh, I gotta know now
I'll take what you got, so you'd better hold on
You'd better believe it

Cos that's how I feel when I'm in your arms
That's how I feel when I'm with you
You make me feel like never before
That's how I feel when I'm with you

That's how I feel when I'm in your arms
(That's how I feel when I'm with you) ooh, yeah
That's how I feel when I'm in your arms
That's how I feel when I'm with you
That's how I feel when I'm with you
