Phil Collins, True Colours

You with the sad eyes
Don't be discouraged
Though I realize
It's hard to take courage
In a world full of people
You can lose sight of it
And the darkness inside you makes you feel so small

But I see your true colors shining through
I see your true colors, and that's why I love you
So don't be afraid to let them show
Just show your true colors
True colors are beautiful ooh like a rainbow

Show me a smile
Don't be unhappy, can't remember when
I last saw you laughing
If this world makes you crazy
And you've taken all you can bear
Just call me up, because you know I'll be there

And I see your true colors shining through
I see your true colors, and that's why I love you
So don't be afraid to let them show
Your true colors, true colors
Are beautiful, ooh like a rainbow

Such sad eyes
Take courage now, realize
When this world makes you crazy
And you've taken all you can bear
Just call me up
Because you know I'll be there

And I see your true colors, shining through
I see your true colors, that's why I love you
So don't be afraid to let them show (Just show your)
True colors, true colors, true colors
'Cause they're shining through

I see your true colors, that's why I love you
So don't be afraid to let them show
Your True colors, true colors, true colors
Are beautiful, beautiful, like a rainbow

Show me your colors, show me your rainbow...
