

# Phil Joel, Move

Hey, hey, hey, hey, hey  
I got something to say  
M, ma, ma, ma, my mind's made up  
I'm goin' all the way

I'm on a roll  
It's time to go  
You got to move  
Move

Give me north  
Give me south  
Give me east  
Give me west  
What You got, I gotta want-a  
I know it's the best

I'm on a roll  
Out of control  
Gotta move  
Move

Keep on movin' on  
Keep, keep movin' on - move  
You gotta move it, baby

Keep on movin'  
Gotta move it alright  
You gotta keep on movin'  
Keep the goal in our eyes  
You gotta keep on movin'  
Gotta run for the prize  
You gotta keep on movin'  
Keep the goal in sight

Keep on movin' on  
Keep, keep movin' on

This brand new heart is guarded  
Won't be an easy target  
S-s-so don't you, don't you  
Get it back to front  
There is no passive resistance here  
They'll take your joy and run, so
