

Phil Ochs, Christine Keeler

Christine Keeler and Mandy Rice-Davies,
You're the gals for me.
Christine Keeler and Mandy Rice-Davies,
I'll keep you company.
You can have your Marilyn, your Carolyn, your Jacqueline.
Grace Kelly never meant that much to me--
Just give me:
 Christine Keeler and Mandy Rice-Davies,
 You're the gals for me. (I'll give you secrets.)
 And you're the gals for me.
Oh, you get good defense from Robert McNamara--
Defends us all day long;
But when Lord Profumo takes off his mascara
You know he can't go wrong.
Douglas Fairbanks, Jr., and Lord and Lady Astor:
Everybody's gonna lose their minds
Because of:
 Christine Keeler and Mandy Rice-Davies,
 Will you be mine, all mine? (I'll take your pictures.)
 Will you be mine, all mine?
