

# Phil Vassar, Bye Bye

Girl you sure look pretty there standin' in the doorway in the sunset light  
Maybe I read you wrong thinkin' I could be your Mr. Right  
I was puttin' my heart and soul on the line  
Said you needed some time, just a little more time to make up your mind  
Well it's been long enough  
Time is up

Bye bye love, I'll catch you later  
Got a lead foot down on my accelerator and the rearview mirror torn off  
I ain't never lookin' back. And that's a fact.  
I've tried all I can imagine  
I've begged and pleaded in true lover's fashion  
I've got pride, I'm takin' it for a ride  
Bye bye, bye bye my baby, bye bye

Don't think all those tears are gonna hold me here like they've done before  
You'll see what's left of us in a cloud of dust on Highway 4  
Darling what did you expect me to do  
Sit around and wait on you  
I'm through watchin' you just skate around the truth  
And I know it sounds trite  
But I've seen the light

Bye bye love, I'll catch you later

Got a lead foot down on my accelerator and the rearview mirror torn off  
I ain't never lookin' back, that's a fact.  
I've tried all I can imagine  
I've begged and pleaded in true lover's fashion  
I've got pride, I'm takin' it for a ride  
Bye bye, bye bye my baby, bye bye

I'd lost the game I guess  
I did my best to win the part  
Now I'm leavin' here with what's left of my heart.  
Bye bye, I'll catch you later  
Got a lead foot down on my accelerator and the rearview mirror torn off  
I ain't never lookin' back.  
You can count on that.  
I've tried all I can imagine  
I've begged and pleaded in true lover's fashion  
I've got pride, I'm takin' it for a ride  
Bye bye, bye bye my baby, bye bye

Bye bye  
Ooh baby  
Oh oh  
Bye bye, bye bye my baby, bye bye
