Phil Vassar, Bye Bye

Girl you sure look pretty there standin' in the doorway in the sunset light Maybe I read you wrong thinkin' I could be your Mr. Right I was puttin' my heart and soul on the line Said you needed some time, just a little more time to make up your mind Well it's been long enough Time is up

Bye bye love, I'll catch you later Got a lead foot down on my accelerator and the rearview mirror torn off I ain't never lookin' back. And that's a fact. I've tried all I can imagine I've begged and pleaded in true lover's fashion I've got pride, I'm takin' it for a ride Bye bye, bye bye my baby, bye bye

Don't think all those tears are gonna hold me here like they've done before You'll see what's left of us in a cloud of dust on Highway 4 Darling what did you expect me to do Sit around and wait on you I'm through watchin' you just skate around the truth And I know it sounds trite But I've seen the light

Bye bye love, I'll catch you later

Got a lead foot down on my accelerator and the rearview mirror torn off I ain't never lookin' back, that's a fact. I've tried all I can imagine I've begged and pleaded in true lover's fashion I've got pride, I'm takin' it for a ride Bye bye, bye bye my baby, bye bye

I'd lost the game I guess I did my best to win the part Now I'm leavin' here with what's left of my heart. Bye bye, I'll catch you later Got a lead foot down on my accelerator and the rearview mirror torn off I ain't never lookin' back. You can count on that. I've tried all I can imagine I've begged and pleaded in true lover's fashion I've got pride, I'm takin' it for a ride Bye bye, bye bye my baby, bye bye

Bye bye Ooh baby Oh oh Bye bye, bye bye my baby, bye bye
