

# Phil Vassar, Here To Forget

Joe's Drinking Tequila Sunrise  
Kati's Drinkin Sex on the Beach  
Maria Loves thoes Blue Margaritas  
She likes em garnished with peach

I dig these Dirty Martini's  
I like 'em Shaken not Stirred  
I come here every evening  
Just to get my mind off of her

Chorus:  
Whoa, Whoa, Whoa we're all in this together  
Whoa, Whoa, Whoa one more round of regret  
And I, I, I guess i'll have another and another  
Memory Vacation We're all just here to forget

Joe's wife had wandering Eyes  
She left him for some young guy at work  
Kate and Maria, Same story they fell in love with a Jerk  
Me, I was Prideful and Foolish  
And i just pushed her away  
I guess we all have our reasons  
For being in here today

Chorus:  
Whoa, Whoa, Whoa we're all in this together  
Whoa, Whoa, Whoa one more round of regret  
And I, I, I guess i'll have another and another  
Memory Vacation We're all just here to forget

I know that drowning our sorrows is not the solution  
Its just a temporary Band-aid for the pain  
After Carefully drinkin i've reached this conclusion  
We've all got problems to face, but it aint happening today  
No not today I said

Chorus:  
Whoa, Whoa, Whoa we're all in this together  
Whoa, Whoa, Whoa one more round of regret  
And I, I, I guess i'll have another and another  
Memory Vacation We're all just here to forget
