

Phil Vassar, Nobody Knows Me Like You

If I said I'd be fine on my own, oh no
It wouldn't be true
I'd be half the man that I am, oh nobody knows me like you
So many troubles in this crazy, crazy world
And sometimes it's just too much
But without a word, out of nowhere you come
To heal me with your touch
I feel your love in all I do, oh nobody knows me like you
Years come and go by
Baby we'll laugh and we'll cry
But we'll take on this life in style
You melt me with your smile

So many worries in this crazy, crazy world
And sometimes it's just too much
Without a word, out of nowhere you come
And heal me with your touch
So turn down the lights, do what you do, oh nobody knows me like you
Nobody knows me like you
