

# Phil Wickham, Desire

I'm running through the gates of love as fast as I can  
I can wait to see You, I'm a desperate man  
You made the light and sent it down  
To show us who You are  
Now it's bursting out my heart

My desire is burning like a million stars  
And I'll keep reaching out, reaching out for You  
My desire is burning with the fire you sparked  
And I'll keep reaching out, reaching out for You

I'd be nothing without you, yeah I would die  
If I didn't have Your hand, if I couldn't look into Your eyes  
Jesus, if Your love's the fuel  
Then I'm the desperate flame  
That's screaming out Your name

This is glory rising over a new horizon  
I see Your love, I feel Your smile  
You're in my heart and I will run with all I have to You
