

Phil Wickham, I Will Wait For You There

I will wait for You there
Down on my knees where I met You
Give You all of my cares
Find a grace to hold onto now
I'm calling for You

I will wait for You there
far from the world and it's violence
It left broken and bare
I need to hear You in the silence now
I'm calling for You

And with outstretched arms
I will sing out melodies
And my beating heart
Will pour out a symphony
Hallelujah's in the morning
Hallelujah's in the night
I will wait for you as long as I have life

I will wait for You there
Down On my knees where I met you
Cause life is a war fought with tears
But You are the strength I hold onto now
I'm calling for you

CHORUS
