

# Phillips Craig And Dean, I Need You

Everything that I am  
Thought I made with my own two hands  
Had no help, caught no breaks  
Have only myself to thank

Looking back at my young and foolish heart  
Why did I keep us apart?  
Feel this cold empty shell  
Lord, save me from myself

I need you, I need you  
I need you for real success  
I need you for my next breath  
Oh lord, I need you. Yes I do.

Oh, Lord, be my guide  
Give real meaning to my life  
Lead my steps, change my ways  
Put your purpose in this place

Unto the hills of heaven will I lift my eyes  
For you are my helpful saviour  
Hear my cry

(Oh, I need you, got to have you Lord)  
(Lord I lift my eyes to you)  
(Lord I need you)  
(Hear my cry)  
(I need you)
