

Phish, Blue And Lonesome

The lonesome sound of the train goin' by
Makes me want to stop and cry
I recall the day
It took you away
I'm blue and I'm lonesome too

Well, when I hear that whistle blow
Well I want to pack my suitcase and go
The lonesome sound of the train goin' by
Makes me want to stop and cry

(Instrumental solo)

In the still of the night and pale moonlight
The wind blows and cry
These lonesome blues
I just can't loose
I'm blue and I'm lonesome too

Well when I hear that whistle blow
Well I want to pack my suitcase and go
The lonesome sound of the train goin' by
Makes me want to stop and cry

These lonesome blues
I just can't loose
I'm blue and I'm lonesome too
I'm blue and I'm lonesome too
