

# Phish, Destiny Unbound

Highway Bill's on the rotary still and he can't even feel the pain  
Of a sun dried shoulder and a scar f  
We gotta get on the road, destiny unbound  
She's the one for me we gotta get outta town  
We gotta g  
chorus

At first she was cold, she was ready to scold  
This guy from the pit with a thing in his head  
But then s  
She said: There isn't even any road, our Destiny was bound  
We were the ones for us but now we're
