

# Phoenix, Honeymoon

Every Sunday  
I go to Hollywood  
I buy my ticket  
To see the midnight show  
And every Sunday  
I live my honeymoon  
You rule my body  
I just feel how it's good

My mind aches  
You bust my real thoughts  
When you're with me  
Till the night's away  
I am sittin'  
I watch the fireworks  
It's no matter of time  
I feel the midnight crush

Feelin' without knowing the other  
Tonight, let me handle this affair  
Let me handle this affair

There's no ending  
Light fades in my eyes  
I don't want nobody  
To burn my Hollywood

Every Sunday  
I go to Hollywood  
It's worth waitin'  
To see the midnight show  
And every Sunday  
I live my honeymoon  
You rule my body  
I just feel how it's good

Feelin' without knowing the other  
Tonight, let me handle this affair  
Let me handle this affair
