

Phoenix, Lost And Found

So you've got your own little story to tell Some girls they ask to put them on your knees Slowdown,

Let go
It's so hard to fill me in
You'd better run as fast as you can
When your eyes are getting low
Tomorrow'll say if you're lost and found

Walking around thinking the same again
To get to you I'll go down on my knees
Last night I swear it wouldn't be the same Last night I swear it never was the same Two is for a whi

Let go
It's so hard to fill me in
You'd better run as fast as you can
When your eyes are getting low
Tomorrow'll say if you're lost and found

I'll tell you what I have in mind
It's so hard to fill me in
You'd better run as fast as you can
