

Photek, Six Feet Under Soundtrack

well, well
prodigal return,
it's what you've been running away from your whole life, buddy-o
you thought you could scape,
well guess what:
nobody scapes.

well, well
prodigal return,
it's what you've been running away from your whole life, buddy-o
it scare the crap out of you... (unclear part)
and you thought you could scape,
well guess what:
nobody scapes (nobody scapes)
